   Case: Case No. 4:24-cv-00255, Eastern District of Missouri, Dean v. S.T.L. P.D.: https://www.pacermonitor.com/public/case/52395537/Dean_v_Saint_Louis_City_PD.

   Case Text: Defendant Perry is accused of willful blindness to overwhelming evidence against the Defendants regarding their child trafficking operation with ties to federal and state agencies. In this case, corrupt St. Louis City police officers—acting without a warrant or court order—brutally kidnapped Alexandra's daughters from her home.

With the assistance of an infamous *"Cash for Kids"* attorney, Laura Hawk Stobie, Alexandra's daughters were then sold to a 55-year-old pedophile with government clearance and a police record for stalking and assaulting her. Alexandra's daughters still remain held hostage by this known domestic offender/ pedophile till this day and she's had zero signs of life from them (See Exhibit A, Pg. 23- 37).

On October 16th, 2016 I was dispatched to 1035 White Hawk Drive, Cuba, reference a domestic assault. I arrived on scene and met with Justin Wach and his girlfriend, Alexandra Dean. I observed Alexandra's belly, which she appeared visibly pregnant. I asked her how far along she was and she stated she had two months left to go. I observed Justin's shirt which was torn. He also had bruising on his cheek and an abrasion on his neck.
I asked Justin what happened. He stated they had come to his father's house at 1035 White Hawk to try to smooth some problems they had been having between themselves. He stated it wasn't going so well so he went outside. He stated his father followed him outside and grabbed him by the shirt, tearing it, before striking him in the face with a closed fist as well as grabbing him and scratching his neck.
I spoke with Alexandra who stated Justin's father always comes over to their house and tries peering through the windows when she's undressed. She stated they had gotten into an argument

while trying to smooth things over and she and Justin left. She stated Justin's father, Brian Wach, pushed her to get to Justin before getting into a fight with Justin.

These former St. Louis City Police officers then subsequently conspired in a murder-for-hire plot against Alexandra, coordinating with the medical professional who had previously attempted to murder her (Dr. Christopher Parks: Defendant, Oral Surgeon, Home Address: 1039 Buck Ct, Sullivan, MO 63080, Office Address: 400 Cumberland Way Suite A, Sullivan, MO 63080, (573) 468-7556). Prior to these events, these officers failed to investigate this dentist who attempted to lure Alexandra to a park with her daughters and later tried to murder her, instead choosing to

aid her abusers.

Following the kidnapping, the St. Louis City Police made multiple further attempts on Alexandra's life, all of which were captured on video. See Exhibit: Dean- Claim (Pg. 7-19),

On three separate occasions the Saint Louis City Police dismantled Alexandra's Surveillance Camera.

Unlawful Police Chase (Saint Louis City Federal Officer)
unknown officer gives up chase.

FINDINGS OF FACTS: (a) On September 10, 2021, Judge Lasater of the Saint Louis County Family Court ordered that Justin Wach must comply with all previously issued court directives by the end of September 2021. These directives included submitting to drug testing, paying GAL (Guardian ad Litem) fees, and registering for and consistently using the 'Close' communication application. The court further warned that failure to comply would result in dismissal of the case for failure to prosecute (See Exhibit G, Pg.1). During this time, Justin Wach had allegedly filed a custody case against Alexandra in an attempt to regain control over her daughters. However, he failed to appear at any of the court hearings—underscoring the fact that he was never the true instigator of the proceedings. In reality, it was his father, a known pedophile with a disturbing obsession with Alexandra, who orchestrated the case. Prior to this, he had stalked her and physically assaulted her (See Exhibit B- Police Complaint No. 2016-0939).

(b) On or about September 11th, 2021, Dr. Christopher Parks, a Missouri dentist, attempted to lure *Mother* to a park in Saint Louis City with her offspring and then attempt murder on her in his office after hours, paid for by her parents Defendant(s) Gina Dean and Duwain Dean (See Exhibit A, Pg. 1-7).

(c) Shortly after, on or about September 13th, 2021, Alexandra's cell phone was illegally

tracked by police prior to her offspring's abduction (See Exhibit A, Pg. 20- 22, & Pg. 53; *Phone Call*). Alexandra is also referred to in this claim as *Mother*.

(d) On exactly September 13th 2021, the abduction was carried out without a warrant, without a court order, and under false pretenses orchestrated by Brian Wach, his ex wife BettyJene Hansmann, Gina Dean, and the St. Louis City Police, who also attempted to murder Alexandra, by deploying lethal gas in the back of the police van.

See Video (Gina Dean's obvious plans to harm her daughter):

https://www.dropbox.com/s/4ldket4azsdc11z/MyMotherMeditatesMyMurder.mp4?dl=0

The only reason she is alive today is because bystanders witnessing these crimes on Facebook Live called 911, who dispatched a non corrupt officer to the scene. The non corrupt officer demanded the police gang open the back of the van so Alexandra could breath after he heard her calling for help. These corrupt police are no longer with the department due to their gang activities on behalf of the Wach- Dean Family Mafia Enterprise (See Exhibit A. Pg. 7- 19).

(e) On exactly September 16th, 2021, Defendant Gina Dean then weaponized the legal

system to gain a tactical advantage over the case by obtaining emergency temporary custody of *Mother's* little ones while she was still unlawfully imprisoned. (See Exhibit G, Pg. 2-4).

(f) On July 7th, 2022, Gina Dean then forfeited full custody and control to Defendant Brian Wach of *Mother's* little ones despite her knowledge of: (a) Prior police reports of sexual misconduct; (b) His non-parental status; (c) Active danger to *Mother* and her offspring (See Exhibit G, Pg. 14).

(g) Judge Lasater and other Missouri officials have facilitated this abuse and refused to acknowledge the tactical advantages clearly deployed while suppressing evidence, misusing their authority, and retaliating against *Mother* (See Exhibit A, Pg. 1- 56).

(h) On June 28, 2023, *Mother* was subjected to coordinated surveillance and harassment—commonly referred to as 'gang stalking'—by individuals identifying themselves as Saint Louis City Sheriff's Deputies. These individuals attempted to carry out an unlawful arrest and disappearance in retaliation for her efforts to expose the Wach-Dean Family Mafia Enterprise and its connections to various state child trafficking

agencies (See Exhibit A. Pg. 42- 49). .

(i) On August 9, 2023, these deputies had been ordered to stand down from duty by Judge Elizabeth Hogan due to improper hiring practices and lacked proper authorization from the State (See Exhibit B- Administrative Order 2023-06) & Exhibit C (Unauthorized Sheriff's Deputies, KSDK News):.

Case Text: Defendant Schelp is accused of willful blindness to overwhelming evidence implicating the Defendants in a child trafficking operation with ties to state and federal agencies. In this case, members of the Saint Louis City Sheriff's Department engaged in

stalking, breaking & entering, and attempting to unlawfully arrest the mother of two kidnapped children, with intentions to disappear her within the legal system and/ or unalive her (See Exhibit: Dean- Claim, Pg. 42- 47),

As a result, Alexandra was forced to flee her home to avoid being trafficked through the system under the guise of an "involuntary commitment order." With the assistance of Defendant Laura Hawk Stobie and her associates, these unauthorized Sheriff's Deputies pursued Alexandra for weeks, searching for her at her places of employment, questioning her coworkers about her whereabouts, and simultaneously surveilling her residence while she remained in hiding.

Subsequently, a Saint Louis City judge issued an order directing 16 unauthorized Sheriff's Deputies to cease performing their duties after it was revealed they were

operating without proper authorization.

So Ordered:
Elizabeth Byrne Hogan
Presiding Judge
22nd Judicial Circuit Court of Missouri,
City of St. Louis
Dated: 8/9/23

Former Sheriff Vernon Betts had armed and equipped unvetted individuals, allowing them to engage in illegal law enforcement activities without judicial authorization. Multiple attempts on Alexandra's life by these unauthorized Sheriff's Deputies were captured on video evidence, further substantiating the allegations of misconduct and unlawful activity. Despite the overwhelming evidence, Defendant Schelp terminated the Plaintiff's case, leaving her and her daughters in imminent danger. His order states, "ORDER OF DISMISSAL: IT IS HEREBY ORDERED that this action is DISMISSED without prejudice. IT IS HEREBY CERTIFIED that an appeal would not be taken in good faith. Signed by District Judge Matthew T. Schelp on 7/29/2024. (TMT)"

Case No. 4:24-cv-00074, Eastern District of Missouri, *Dean v. Stobie*:

https://www.pacermonitor.com/public/case/52026114/Dean_et_al_v_Stobie

Case Text: Defendant Schelp is accused of aiding and abetting the well-known "Cash for Kids" guardian ad litem(s) in facilitating the sale of children through the state, as evidenced by the infamous "Cash for Kids" Zoom call from St. Louis, MO. (i) Zoom call transcript with a full list of the affiliated members. See Exhibits: (i)

(iii) Video evidence of ZOOM Call, Full Version. See Exhibit: https://youtu.be/z_Re_bX118k?si=kC8wlyyTHf02rnlo

Defendant Schelp stands accused of unlawfully stripping numerous law-abiding parents of their constitutionally protected parental rights in this case—rights deeply embedded in our nation's legal tradition. The Plaintiffs have presented substantial and credible evidence that their children were effectively trafficked into the hands of abusive guardians by the very same "Cash for Kids" guardians ad litem (GALs) and attorneys exposed in the now-infamous Zoom call. Among the central figures in this scandal is Family Law Attorney and GAL Laura Hawk Stobie, whose role in these egregious abuses is well known throughout St. Louis. While Defendant Schelp failed to provide any remedy for these Plaintiffs and their children, there has been at least one consequence: Stobie was expelled from her prestigious law firm in Clayton due to the mass number of victims who filed against her in the following cases (See No. 30- 33 of this section). Now, rather than operating under the banner of a respected firm, she rents an office independently—continuing her shady dealings in what amounts to the sale of children.

Defendant Schelp stands further accused of enabling acts of state and domestic terrorism that culminated in the tragic deaths of Bernadine Pruessner and her four children, who were officially declared deceased following a suspicious house fire. This leaves the Defendant accountable for the disappearances and/or deaths of the parents and children involved in this case. However, WE *the* PEOPLE believe Pruessner and her children have been trafficked and could still be alive or that their deaths were a result of premeditated foul play and strategic trafficking.

MOTION to REOPEN INVESTIGATION INTO the DEATHS of BERNADINE
"See that you do not despise one of these little ones. For I tell you that their angels in heaven always see the face of my Father in heaven."
Matthew 18:10
ATTORNEY NATHAN S. COHEN

Clear evidence of foul play was presented regarding two well-known *"Cash for Kids"* attorneys and a *"Cash for Kids"* judge in Saint Louis. Judge Mary Greaves along with Nathan Cohen and Laura H. Stobie, all infamous child traffickers in the area, are alleged to be the true catalyst for this disaster. Stobie played her part as Bernadine's GAL and Cohen not only served as Bernadine's legal representative in her family court case but was also her landlord—giving him direct access to every vulnerable aspect of her and her children's lives. This raises serious concerns that Cohen himself orchestrated the exploitation and destruction of his own property, where Bernadine and her children resided. Cohen was the first to make statements to the media, attempting to solidify an eerie narrative in which he confidently insists that "Birdie" murdered her children and then took her own life as a result of the custody battle—one in which he served as her counsel. However, as her attorney, Cohen knew that Bernadine was not at risk of losing custody of her children, nor were there any court orders that would have caused her such

profound distress. Despite this, Cohen remains hell-bent on pushing the narrative that a civil divorce was the catalyst for this catastrophic and deeply painful event—which, notably, occurred at his residence, a detail he conveniently omitted when speaking to the media.

Cover Up Story

Nathan Cohen, who was Pruessner's attorney, told NBC News she had been going through contentious custody and child support cases with the two fathers of her children.

— Bernadine "Birdie" Pruessner, 39, was found dead after the fire, along with her four children: 2-year-old Millie, 6-year-old Jackson and 9-year-old twin girls Ellie and Ivy. KSDK News

Cohen said Pruessner, a professor at a community college, was faced "with the stress of having to be in court all the time, and trying to raise a family."

"I think she thought these kids were being used as foils to get to her," Cohen said.

In a statement provided by Cohen, which referred to Pruessner as Birdie, her family said "Birdie lived for her children, and focused only on their happiness."

"Birdie got to an awful place, one that resulted in tragic consequences," the statement said. "The family wants you to know that she got to that darkness as a result of spurious litigation and unfounded allegations by her ex-husband and her former boyfriend."

This crucial information was later obtained not by investigators or reporters, but by WE *the* PEOPLE, through Bernadine's mother. The following article by NBC News highlights Cohen's manipulative behavior, which aligns with characteristics commonly observed in perpetrators who exhibit psychopathic and deceptive tendencies.

In pursuit of justice, WE *the* PEOPLE filed a detailed motion to reopen the investigation into their fate. Yet, without cause, Defendant Schelp dismissed this motion, further obstructing accountability and due process. Despite the repeated warnings to Defendant Schelp months prior to the tragedy, regarding Stobie's widespread child trafficking operations, he failed to intervene. —this includes her use of corrupt law enforcement and opposing parties to forcibly remove children from their homes without warrants or court orders and placing them into the custody of pedophiles and domestic offenders. WE *the* PEOPLE have provided clear video evidence that Defendant Stobie and her network engaged in these heinous acts, which escalated to attempted murder against several targeted mother(s).

Sullivan Man Charged In Kidnapping, Assault
Aug 11, 2018
Justin D. Wach, 26, Sullivan, has been charged with two felonies, following a domestic violence which took pace at a home in Sullivan in January.
According to the felony affidavit from the Franklin County Persecutor's office, Wach is charged with one count of felony kidnapping and one count of felony domestic assault.

Given the brutal and systematic nature of these crimes, it should come as no surprise to Defendant Schelp that Stobie and her associates now stand accused of orchestrating a mass murder-for-hire and child trafficking scheme against the Pruessner family and the rest of the parents who have come forward. Despite the evidence presented, Defendant Schelp terminated the case, leaving the Plaintiffs and their offspring in imminent danger. His unlawful order states, " MEMORANDUM AND ORDER: IT IS HEREBY ORDERED that Plaintiffs Brooke J. Marr, Justin E. Shire, Ryan Nicholas Brown, Ariel
